Re: *Ex Parte* Presentation, ET Docket No. 08-59  
Amendment of the Commission's Rules to Provide Spectrum for the  
Operation of Medical Body Area Networks

Dear Ms. Dortch,

On March 17, 2012, Anthony Jones, Chief Marketing Officer, Patient Care and Clinical Informatics, Philips Healthcare, participated with FCC Chairman Julius Genachowski in a public event describing the benefits of Medical Body Area Networks (MBANs). The following decision-level FCC staff also attended this event: Zachary Katz, Chief of Staff; Julius Knapp, Chief Engineer and Chief of the Office of Engineering & Technology; and Geraldine Matise, Chief of the Policy and Rules Division, Office of Engineering and Technology.

Mr. Jones' presentation also is attached and the event is available for viewing on the FCC website at: <http://www.fcc.gov/events/genachowski-remarks-unleashing-spectrum-medical-body-area-networks> ..

Pursuant to Section 1.1206 of the Commission's rules, an electronic copy of this letter is being filed for inclusion in the above-reference docket and emailed to the named Commission participants.

Sincerely,

David R. Siddall  
Counsel to Philips Healthcare
